# SUBJECT INDEX, VOLUME 144

- Alabama, impact of rough shiner on native fish . . . . . 393
- Ambloplites constellatus*, breeding ecology . . . . . 423
- Amphibians, leech on salamander . . . . . 434
- sampling of hylid treefrogs . . . . . 168
- Andropogon gerardii*, light relations . . . . . 51
- Arkansas, breeding ecology of Ozark bass . . . . . 423
- Asclepias meadii*, population analysis . . . . .
- Behavior, breeding of Ozark bass . . . . . 423
- deer predation on bird nestlings . . . . . 419
- dragonfly aggregating . . . . . 11
- plant climbing by scorpion . . . . . 406
- social organization of nine-banded armadillos . . . . . 139
- spawning in bluehead and river chubs and central stoneroller . . . . . 187
- wallowing by American bison . . . . . 159
- Birds, area sensitivity . . . . . 28
- deer predation on nestlings . . . . . 419
- diet of red-cockaded woodpecker . . . . . 370
- diets of tree swallow . . . . . 216
- prairie bird habitat . . . . . 377
- seed dispersal of Chinese tallow tree . . . . . 202
- Bos bison*, wallowing behavior . . . . . 159
- British Columbia, browsing of antelope bitterbrush . . . . . 109
- California, competition between alien grasses and native annuals . . . . . 92
- elevational distribution of *Dipodomys* . . . . . 352
- frequency of mammal road kills . . . . . 362
- Cambarus longulus*, interaction with hellgrammites . . . . . 317
- Canis lupus*, movements . . . . . 428
- Centruroides vittatus*, plant climbing behavior . . . . . 406
- Competition, between alien grasses and native annuals . . . . . 92
- Drosophila*, interspecific . . . . . 19
- Corydalis cornutus*, interaction with crayfish . . . . . 317
- Dasytus novemcinctus*, social organization . . . . . 139
- Dipodomys* spp. elevational distribution . . . . . 352
- Dreissena polymorpha*, effects of crayfish on . . . . . 308
- Drosophila subobscura*, *D. azteca*, interspecific competition . . . . . 19
- Ecology, animal
- area sensitivity in birds . . . . . 28
- breeding ecology of Ozark bass . . . . . 423
- browsing on antelope bitterbrush . . . . . 109
- competition in *Drosophila* . . . . . 19
- deer predation on bird nestlings . . . . . 419
- diet of eastern mole . . . . . 342
- diet of tree swallow . . . . . 216
- diet of red-cockaded woodpecker . . . . . 370
- diet of northern flying squirrel . . . . . 286
- elevational distribution of *Dipodomys* . . . . . 352
- impacts of crayfish on zebra mussel . . . . . 308
- impact of rough shiner on native fish . . . . . 393
- interaction between crayfish and hellgrammites . . . . . 317
- invertebrate macrofauna in forest soils . . . . . 297
- mammal road kill . . . . . 362
- mammalian browsing on forest . . . . . 243
- microhabitat selection by golden mice . . . . . 220
- movement of ant queens . . . . . 439
- nectar plants of Karner blue butterfly . . . . . 1
- plant climbing by scorpions . . . . . 406
- prairie bird habitat . . . . . 377
- recruitment of *Fusconia ebena* . . . . . 328
- social organization of nine-banded armadillo . . . . . 139
- swimming performance of Topeka shiner . . . . . 178
- wallowing of American bison . . . . . 159
- white-footed mice, artificial nest sites . . . . . 152
- wolf movements . . . . . 428
- Ecology, plant
- browsing of antelope bitterbrush . . . . . 109
- competition between alien grasses and native annuals . . . . . 92
- effects of exotic shrub on native annuals . . . . . 36
- grazing and desertification . . . . . 78
- leaf area on a N fertilization gradient . . . . . 265
- leaf mass, area and N in hardwood forest . . . . . 253
- light relations of big bluestem . . . . . 51
- old-growth *Acer-Fagus* forest . . . . . 227
- pitcher plant, sugar in nectar . . . . . 123
- population of *Asclepias meadii* . . . . . 66
- seed dispersal of Chinese tallow tree . . . . . 202
- vegetation and erosion in desert . . . . . 273
- Endangered species, Karner blue butterfly . . . . . 1
- northern flying squirrel . . . . . 286
- Fish, breeding ecology of Ozark bass . . . . . 423
- impact of rough shiner on native fish . . . . . 393
- predation affects interaction between crayfish and hellgrammites . . . . . 317
- spawning behaviors of bluehead and river chub and central stoneroller . . . . . 187
- swimming performance of Topeka shiner . . . . . 178
- Fungi, hypogeous, food for northern flying squirrel . . . . . 286
- Fusconia ebena*, recruitment . . . . . 328
- Glaucomys sabrinus coloratus*, fungi in diet . . . . . 286
- Hyla* spp., sampling with PVC pipe . . . . . 168
- Illinois, microhabitat selection by golden mice . . . . . 220
- recruitment of *Fusconia ebena* . . . . . 328
- Indiana, Karner blue butterfly . . . . . 1
- Insects, dragonfly behavior . . . . . 11
- Drosophila*, interspecific competition . . . . . 19
- Karner blue butterfly . . . . . 1
- movements of ant queens . . . . . 439
- Invasive organisms, competition between alien grasses and native annuals . . . . . 92
- effects of crayfish on zebra mussel . . . . . 308
- effects of *Lonicera maackii* on native annuals . . . . . 36

impact of rough shiner on native fish . . . . .	393	vegetation and erosion in desert . . . . .	273
seed dispersal of Chinese tallow tree . . . . .	202	New York, dragonfly behavior . . . . .	11
Invertebrates, other than insects		North Carolina, fungi as food for northern flying	
effects of crayfish on zebra mussel . . . . .	308	squirrel . . . . .	286
interaction between crayfish and hellgrammites		leech on salamander, may transmit trypano-	
. . . . .	317	somes . . . . .	434
leech on salamander . . . . .	434	North Dakota, deer predation on bird nestlings	
macrofauna in old-growth forest soil . . . . .	297	. . . . .	419
plant climbing by scorpion . . . . .	406	prairie bird habitat . . . . .	377
recruitment . . . . .	328	<i>Notropis baileyi</i> , impact on native fish community	
Iowa, light relations of big bluestem . . . . .	51	. . . . .	393
Kansas, population of <i>Asclepias meadii</i> . . . . .	66	<i>Notropis topeka</i> , swimming performance . . . . .	178
swimming performance of Topeka shiner . . . . .	178	Null model, area sensitivity in birds . . . . .	28
wallowing by American bison . . . . .	159	<i>Ochrotomys nuttalli</i> , microhabitat selection . . . . .	220
Kentucky, invertebrate macrofauna in forest soils		<i>Odocoileus virginianus</i> , predation on bird nestlings	
. . . . .	297	. . . . .	419
<i>Loniera maackii</i> , effects on native annuals . . . . .	36	Ohio, effect of exotic shrub on native annuals . . . . .	36
<i>Lyceades melissa samuelis</i> , nectar plant selection	1	old-growth <i>Acer-Fagus</i> woods . . . . .	227
Mammals, bison wallowing . . . . .	159	<i>Oligobdella biannulata</i> , trypanosome transmission	
browsing on antelope bitterbush . . . . .	109	. . . . .	434
browsing on forest . . . . .	243	<i>Oronectes rusticus</i> , impacts on zebra mussel . . . . .	308
conservation of eastern spotted skunk . . . . .	133	Parasites, leech on salamander . . . . .	434
deer predation on nestlings . . . . .	419	<i>Peromyscus leucopus</i> , artificial nest sites and age of	
diet of eastern mole . . . . .	342	litter . . . . .	152
elevational distribution of <i>Dipodomys</i> . . . . .	352	<i>Picoides borealis</i> , diet of nestlings . . . . .	370
fungi as food for flying squirrel . . . . .	286	<i>Pinus palustris</i> , diet of red-cockaded woodpecker	
microhabitat selection by golden mice . . . . .	220	. . . . .	370
road kill frequency . . . . .	362	<i>Purshia tridentata</i> , browsing of . . . . .	109
social organization of nine-banded armadillo	139	<i>Sapium sebiferum</i> , seed dispersal by birds . . . . .	202
use of artificial nest sites and age of litter by		<i>Sarracenia purpurea</i> , variation in sugar in nectar	
white-footed mice . . . . .	152	. . . . .	123
wolf movements . . . . .	428	<i>Scalopus aquaticus</i> , diet . . . . .	342
Michigan, crayfish impacts on zebra mussel . . . . .	308	South Carolina, diet of eastern moles . . . . .	342
diet of tree swallow . . . . .	216	diet of red-cockaded woodpecker . . . . .	370
mammalian browsing and forest succession . . . . .	243	seed dispersal of Chinese tallow tree . . . . .	202
variation of sugar in nectar of pitcher plant . . . . .	123	<i>Spilogale putorius</i> , conservation status . . . . .	133
<i>Micropterus dolomieu</i> , influence on interaction be-		<i>Sympetrum vicinum</i> , aggregating behavior . . . . .	11
tween crayfish and hellgrammites . . . . .	317	Succession, effects of mammalian browsing on for-	
Minnesota, leaf area on a N fertilization gradient		est . . . . .	243
. . . . .	265	<i>Tachycineta bicolor</i> , diet . . . . .	216
wolf movements . . . . .	428	Tennessee, conservation of eastern spotted skunk	
<i>Mymecocystus mimicus</i> , movements of queen . . . . .	439	. . . . .	133
New Hampshire, leaf mass, area and N in hard-		Texas, plant climbing behavior of scorpion . . . . .	406
wood forest . . . . .	253	social organization of nine-banded armadillos	
New Mexico, grazing and desertification . . . . .	78	. . . . .	139
movements of ant queens . . . . .	439	Wisconsin, wolf movements . . . . .	428
